Notes:	<p>Hi Folks - This Log is a listing and brief synopsis of most of the interactions we have at Tompkins Cortland Community College Campus Police.</p> <p>We present this in the spirit of transparency and have been doing so for the past several years. The notes for each interaction is not the official report, it is just a few sentences broadly outlining the incident. Occasionally, we add some crime prevention tips, some good natured humor, and, maybe, some other comments. We take our responsibilities to provide and maintain safe environments to learn and live in seriously. That doesn't preclude us from, like most people, having a sense of humor. Be kind and stay safe. Beau Saul, Director of Campus Police</p>
