

Tompkins Cortland Community College
SUNY General Education Approved Courses

To earn an Associate of Arts (A.A.), Associate of Science (A.S.), or Baccalaureate degree from any SUNY institution, a student must complete **30 credits** of SUNY General Education (Gen Ed) coursework, distributed among a minimum of **seven SUNY Gen Ed areas**, including Mathematics and Basic Communication.

The SUNY General Education courses available through Concurrent Enrollment (C) and Online (O) are indicated below. Any Tompkins Cortland course that is an approved SUNY General Education course will be accepted into the same General Education category at the receiving SUNY institution and may meet a degree or elective requirement, depending on the major.

^C Available for Concurrent Enrollment. Other courses may be available upon request.

^O Available through CollegeNow Online. Some foreign language and lab sciences are also available through a hybrid online/classroom model.

^H For students scoring 85 or above on the N.Y. State Regents U.S. History & Government Examination

^L Lecture course with no lab. Some programs require at least one lab science. (All other Area 2/Natural Science courses have a lab component.)

¹ Satisfies SUNY GE, but not considered a Liberal Arts course. Some programs may not allow a non-Liberal Arts course to satisfy this requirement.

Approved courses for concurrent enrollment, online, and SUNY General Education are subject to change. Contact CollegeNow for latest list.
