### ORGANIZATIONAL UNIT

TC3 Bistro, LLC.

### REPORTS TO

Director of Operations

### SUMMARY

The Executive Chef is responsible for all culinary operations, food cost and food production for Coltivare, while creating a quality educational environment that demonstrates best practices in the industry and maximum profitability of Coltivare. The Executive Chef is responsible for developing high quality seasonal menus that exemplify sustainability and highlight locally sourced food, including industry trends. The Executive Chef must strive to develop a culture within the kitchen that inspires energy, excitement, collaborative team work, and pride, resulting in overall guest loyalty, student success, staff satisfaction and revenue growth.

### ESSENTIAL DUTIES AND RESPONSIBILITIES

1. Responsible for the production and preparation of food for Coltivare - TC3 Culinary Center. Creates a team environment and hospitable culture in the kitchen to maximize student success and revenue growth.
2. Responsible for the overall direction, scheduling, coordination, and evaluation of the culinary staff. Responsibilities include interviewing, hiring, and training employees; planning, assigning, and directing work; appraising performance on a timely basis; rewarding and disciplining employees; addressing complaints and resolving problems.
3. Responsible for developing high quality menu options using locally sourced food in consideration of Coltivare's mission. Works with the Farm to Bistro management team and faculty on menu changes and specials. Plans the roll out of all seasonal menus with a team approach, and in a timely manner. Participates in the evaluation of new recipes and products, planning for menus, and improved service delivery.
4. Works with the Director of Operations to manage payroll information, maintain payroll records, and control personnel costs.
5. Responsible for purchasing locally sourced food and other products to support seasonal menu. Works extensively with TC3 Farm Director and maintains relationships with other local farms and farmers, while continuing to research new local food sources from within the state of New York.
6. Responsible for inventory and purchasing to assure that adequate food and supplies are available. Maintains food requisitions and transfer records.
7. Effectively manages food and kitchen inventory including cost control by conducting weekly physical inventory of all food, paper, and chemical products and implementing a formal requisition system to ensure that adequate food and supplies are purchased and available.
