I UNDERSTAND THE FOLLOWING:

1. I am required to continue to be a full time student at TC3 and to follow all the rules for maintaining my F-1 status.
2. I am requesting that the Office of Global Initiatives advise me and assist me by reviewing my reinstatement application for completeness and eligibility.
3. I am completely responsible for properly filing my reinstatement application with the USCIS and tracking its processing through the USCIS Case Status Online System at www.uscis.gov.
4. The ISSS will help track my application without assuming any responsibility.
5. If I am authorized to work, I may continue that employment while my application is pending. Otherwise, I am eligible for employment until reinstated.

I understand that I will need a new Form I-20 and to pay the SEVIS fee to return. I also understand that I will be beginning my F-1 student status all over again and not be eligible for any practical training until I have completed an academic year in F-1 status again.
