Be One Of Us Scholarship

Non-NYS Residents have the opportunity to pay in state tuition through our Be One of US Scholarship! The Scholarship Program waives the non-resident portion of tuition to support non New-York resident students. This scholarship is administered through the Admissions Office. You must meet the following criteria to continue to qualify for the scholarship:

- Be a current TC3 student
- Maintain a 2.5. GPA
- Live in TC3 Campus Housing during both Fall and Spring semesters of your first year of enrollment at Tompkins Cortland Community College
- Perform and document 15 hours of community service each semester

Living On Campus

The on campus residence halls are a three-minute walk from campus, providing easy access to classes and other college facilities, such as, the library, pool, and fitness center. The complex offers apartment-style living with a private, locked bedroom for each person, a full kitchen and bath in each apartment, and an active community. Resident Assistants (RAs) and Residence Hall Council offer a variety of activities throughout the semester for students. More information about living on campus is available on the website: <https://www.tompkinscortland.edu/campus-life/residence-life>

Living Off Campus

Apartments for students are available throughout the community in a wide variety of locations and prices. Apartments are available in Dryden near the College's main campus. Others are located in Ithaca, Cortland, and surrounding towns and villages. Bus service is available between many of these areas and the College's main campus and extension centers. If you are considering living off campus, be sure to secure your housing prior to your arrival. It can be very difficult and expensive to find housing at the last minute.
