ROAD 2 REGISTRATION CHECKLIST

1. CONFUSED ON WHAT TO ASK YOUR ADVISOR BEFORE YOU MEET ABOUT REGISTRATION? HERE ARE SOME QUESTIONS TO CONSIDER:

- What day can I register for classes?
- Do my classes reflect my career or transfer goals?
- Do I have back-up classes in case my first-choice classes fill up?
- Which classes in my degree have minimum grade requirements?
- What electives do you suggest I take based on my career interests?
- What other departments or resources do you suggest I meet with to ensure my registration process is successful?
- When is my expected graduation? Will I have to take summer/winter courses to be on track?
- If I'm struggling in a class, what resources are available to me? What can I do?
- Are there any prerequisites that I should be mindful of?
- What is the best way to reach you in case I need more assistance?
