

TO: Board of Trustees
FROM: Orinthia Montague, President
DATE: May 14, 2018
SUBJECT: President's Report to the Board

Enrollment

This update will be presented at the meeting.

Hiring Updates

The selected candidate for Vice President of Student Services has accepted the College's offer. Mr. McCalley will begin on June 11th.

The Provost Search Committee concluded campus interviews with all finalist candidates. The summary of candidates will be shared in executive session.

Interviews for the Associate Provost vacancy are being conducted with the three finalists this week.

The search for a Director of Childcare has been extended. Additional candidates are being interviewed.

Director of Facilities on campus interviews are being conducted this week

Miscellaneous

The College was recently approved for an official partnership with the Food Bank of the Southern Tier. This should dramatically increase our potential to address our students' food insecurity needs. It is the first partnership of its kind for ANY college or university with our regional Food Bank. We have work to do on our end, e.g. get a refrigerator, freezer, and some resources, but we are generally in excellent shape. The plan is to have this implemented before the fall semester starts.
